What I liked best about the program was:

Suggestions for improving this program:

What kinds of classes would you like to see next year?

Do you have any suggestions for speakers, organizations, or participants you want to see in the future?

Individual Class Evaluation		5 Strongly Agree					4 Agree					3 Neutral					2 Disagree					1 Strongly Disagree				
		This class introduced me to new ideas or provoked me to think more critically about a topic.					This topic and the issues discussed were relevant to my community, now or in the future.					The ideas or techniques presented in this class are useful to me as I do my job or perform service to the community.					The presenters were knowledgeable and presented material well.									
(Only complete for classes you attended)																										
<i>Required for GA Planning Association Credits approval</i>
