

We're thrilled to partner with the Georgia Department of Transportation to provide the **second annual Georgia Walks Summit**. The summit will be in **Augusta on May 4 – 5, 2017**.

The summit will bring people together to share best practices, make pedestrian safety a priority and build momentum for walkable communities. Concurrent tracks will make the summit relevant to diverse audiences and to towns and cities of all sizes.

If you're a transportation or public health professional, community advocate or elected official, the Georgia Walks Summit is something you won't want to miss.

We're also offering team discounts. Join with elected officials, colleagues, advocates or people who work in other departments in your community to build a strong coalition of local support when you return home! Four for the price of three!
